The title story warns: “Open your eyes or you will be, All the things we never see.” Michael Kelly uses sparse, evocative prose to elicit a variety of emotions, leaving the reader with a feeling that reality may be more skewed than we thought. In this book, Kelly shows us things we never see - or that we might prefer not to see.

All the Things We Never See by Michael Kelly

All Those Things We Never Said is an interesting story about complex family relationships. Julia doesn't like her father. She finds his interference annoying and doesn't even fully know how far her father was actually willing to go. My heart ached for everything she lost, but it's not too late for her father to make up for his mistakes.
