It is novel in demonstrating the connections between inequality and de-democratization, between identities and social inequality, and between citizenship and identities.

Identities, Boundaries, and Social Ties ()

No one who reads Charles Tilly's Identities, Boundaries, & Social Ties can expect that to happen. Even historians and social scientists who already accept the inadequacy of individual-level explanations too often remain trapped in a stale debate between the relative influence of structure and agency as explanations for persistence and change in social conditions.

Project MUSE - Identities, Boundaries, & Social Ties (review)

Identities, Boundaries, & Social Ties ends abruptly. The book's last part, "Political Boundaries," is the least unified and fully developed. It needs a strong concluding chapter that weaves its many threads together into a powerful theoretical statement and draws out its implications for making sense of the current political scene.
