Pocket Welding Guide? 01-28-2011, 07:23 PM. Guys, Sorry if this has been discussed but I did a search and came up empty. Years ago, when I was taking welding engineering classes, the instructor showed us a small book that was described as "the definitive welding industry guide" or words to that effect. Of course, being the air headed student, I ...

Welding Books & Manuals for sale | eBay

Someone could make color copies and heavy laminate it yourself if you want a sturdier welding symbol guide. Colorful, pretty, and goes with any spring decor. Way beyond anything I'd ever need, thought it was going to be more basic stuff. Great product to have if you read tank specs and or mostly anything...
